THE FINAL FULFILLMENT OF BIBLE PROHECY IS HAPPENING BEFORE OUR VERY EYES

- God made an everlasting, unconditional covenant with Abraham, Isaac and Jacob.
- That covenant promised a Land, a people and a nation.
- God’s covenant is still valid today and has not been replaced with Christianity.
- God warned His people that they would be few in number and scattered among the nations.
- God promised He would preserve a remnant of His people and return them to their ancient Land.
- The modern ingathering of the Jewish people back to their Land is the final fulfillment of Bible prophecy and God’s covenant promises to Abraham and the grafted in Christian believers.
- Christians are called to actively participate in this work of redemption which will lead to the coming of Messiah.
- Join us for this “prophecy for our times” course as Dr. Victoria Sarvadi explains God’s plan for Israel, the nations and how Christians are called to comfort God’s people in these challenging times.
